

Antoinette Collignon-Smit Sibinga

Antoinette Collignon is partner of Legaltree and specialist in cross-border liability and personal injury cases, product liability, employers' liability and private international law. She advises insurers, international claims agencies, companies, but also victims. In international cases, she works closely with reputable law firms in Europe and the United States.

She is a founding member of the Pan European Organisation for Personal Injury Lawyers (PEOPIL) and served as its president from 2009 to September 2013, being the first Dutch person and woman to do so. Antoinette regularly lectures at conferences and seminars. She was a part-time lecturer at the University of Leiden from 2014 – 2017. She also lectures at SDU and Kerckebosch and has published various articles on cross border personal injury law
