Jean-Michel Fobe, is recognized as a leading aviation and aerospace expert and has been member of the Belgian Delegations at ICAO General Assemblies, ICAO Legal Committee meetings, ECAC meetings and adviser to leading Aviation and Space insurance companies since 1986.

He holds an LL.M. in Air and Space Law from the McGill University, Institute of Air and Space Law in Montreal, a postgraduate degree in maritime and air law from the Free University of Brussels, a post graduate degree in Risk Management at the Vlerick School of Management (University of Ghent) and a law degree from the University of Leuven. He has been teaching assistant of Prof. Dr. Eric Suy at the University of Leuven in the Department of international law and Foreign Relations and Guest Lecturer at the Management School of the University of Antwerp. He is holder of US and EASA Private Pilot's Licence (PPL) and is an active glider and TMG pilot instructor.

He was delegate to the International Union of Aviation Insurers, the Belgian Delegation at ICAO ASMs Committee meetings and the International Air Transport Association conferences.

Jean-Michel has been member of the American Bar Association, Section of International Law and Practice, the ABA Forum on Air and Space Law, the European Air Law Association, the Brussels Air Law Forum and is member of the Société française de Droit Aérien et Spatial. He is past-president, treasurer and Webmaster of the European Alumnae and Alumni Association of the McGill Institute of Air and Space Law, Past-President of the Royal Belgian Aero-Club (www.belgianaeroclub.be) and Member of the Belgian Civil Drone Council. He is listed in the Guide to the World's Leading Aviation Lawyers since 2004 (www.expertguides.com) and the International Who's Who of Aviation Lawyers since 2005.
