

Ben is a Texas attorney with 30 years experience and with his primary office in Houston where he also serves clients in Austin, Dallas, Beaumont, and East Texas. He was a former Chief of Staff for a State Representative and Past Member of a United States Senate Task Force. Ben is an experienced personal injury litigator now focusing on recovering money damages for clients who suffer brain injuries and spinal cord injuries from the negligence of 18 wheeler accidents and construction site accidents.

Ben has represented clients residing in Europe, Central America, and South America.

To offset the stressful life of litigation, in the past, Ben maintained a second residence in The Netherlands and now in Greece.
