Article C

Special Interest Groups

PEOPIL has Special Interest Groups (SIGs) which are chaired by a member. Chairs are expected to be active in the sense that they organise a conference with some regularity (usually once every two years) where the latest developments are shared with conference attendees.

The chair is responsible for the content of the conference.

However, the programme will be agreed with the Executive Board before publication and will only be published on the PEOPIL website after approval by the Executive Board. Conference organisation will be in line with Conference Planning Guidelines as communicated by the Executive Board to all SIG chairs and General Board members, to be updated as is deemed appropriate by the Executive Board.

The conference budget will be determined by the executive board.

It is up to the Executive Board to determine which Special Interest Groups exist. Members are entitled and encouraged to make proposals in this regard to establish a new special interest group. However, there is no entitlement to the establishment of such a group.

SIG Chairs may attend the General Board meetings but shall not be entitled to vote. SIG Chairs are subject to the same rules as General Board members regarding terms of office.

The chairs of the Special Interest Groups are exempt from paying the conference fee for the conference they organise.

Article D
